### Hate Crimes Committed By Chrissie Carnell Bixler And Her Accomplices Part 2 - October 1, 2018

I was attacked on my [personal blog twitter account](#), then Chrissie Carnell Bixler and her accomplices made false reports to twitter. Basically they took my tweet out of context, in mid conversation out of a series of tweets and lied to twitter and made false reports. That's my guess, unless Twitter is discriminating against me cause I'm a Scientologist. I really don't know since nobody at twitter talks to you, I made two attempts on my personal blog account via appeals, the 2nd with evidence, both responses were the same, it appears to me that it's cookie cut and automated.

Then while tweeting on my Scientology twitter account, my tweets in a series of tweets were taken out of context and false reported again.

Then I was approached on facebook, where again I was attacked, harrassed, abused, threatened over and over and over again.

I have to engage with these people as I'm gathering more evidence of their hate crimes, as they refuse to stop committing felonies on me online using the twitter platform and now the facebook platform.

The latest hate crimes is when Chrissie Carnell Bixler's accomplice, posted my drivers license picture on my Scientology twitter account. I have no idea where nor how they obtained my drivers license photo, it wasn't off my drivers license.

When I questioned Chrissie Carnell Bixler's accomplice on facebook, she stated on facebook it was the LAPD that gave them my drivers license photo, and it was a detective Vargas of the LAPD, to be specific Detective Javier Vargas of the LAPD's Robbery-Homicide Division, Special Assault Section.

If this is true, then the police in the LAPD are in collusion with the people that committed the hate crimes on me online and they too will be going to prison in a Federal Prison along with Chrissie Carnell Bixler and her accomplices.
